Application Scenario 2

SPECIFICATIONS

The Trim Tray works as an ultra-light trimming surface and pollen sifting collection device.

Size	19.3*12.0*2.25 Inch
Weight	1.65 Lbs
Color	Blue / Orange

PACKAGE INCLUDES

1	2-in-1 Trimming Tray	
2	Magnifying Glass	
3	Brush	
4	Straight Blade Orange Scissors	
5	Curved Blade Blue Scissors	

ADVANTAGES

1. The size is just right for your arms to rest on both sides, so you can use it continuously without getting hurt.
2. It includes two types of scissors (curved & straight blade), a magnifying glass and a small brush to meet the basic needs of work.
3. The non-slip rubber at the bottom of the sliding tray can enhance the stability of the tray and reduce the risk of tipping and spilling when placed on the table or on your legs.
4. The tray is divided into upper and lower sections. The upper tray is placed with a 150-micron fine-hole pollen sieve. The stainless-steel screen can collect the part you want.

APPLICATION SCENARIO

Designed by **VIVOSUN** in California.
