USER MANUAL

Love what you grow™

Welcome to **VIVOSUN**

Thank you for choosing VIVOSUN. We are committed to product quality and friendly customer service. If you have any questions or suggestions, please don't hesitate to contact us.

GENERAL GUIDELINES

- Please read the following instructions carefully and use the product accordingly.
- To ensure the successful return, please keep the original manual and shipping box.
- This summary may not include every detail or all possible variations and the steps required to achieve them. Please contact us when further information and help are needed.

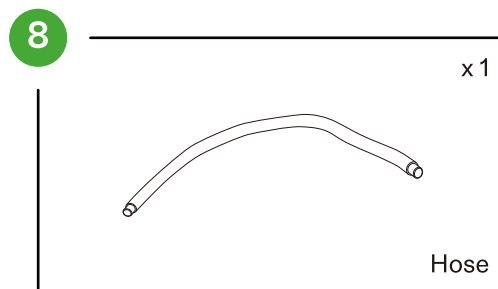

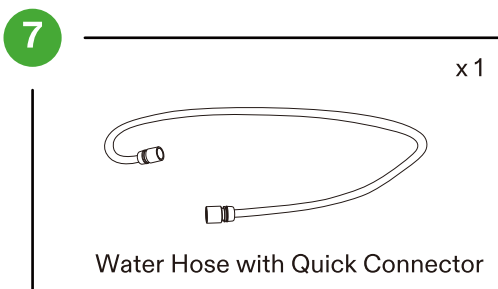

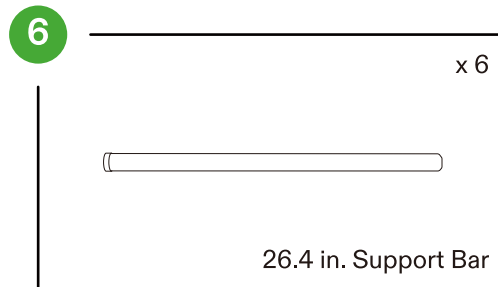

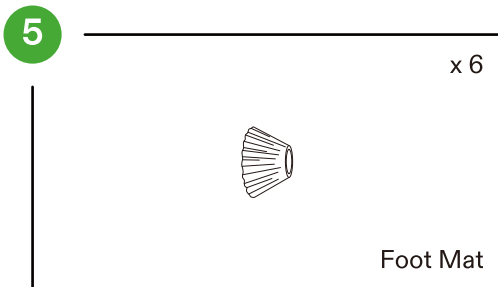

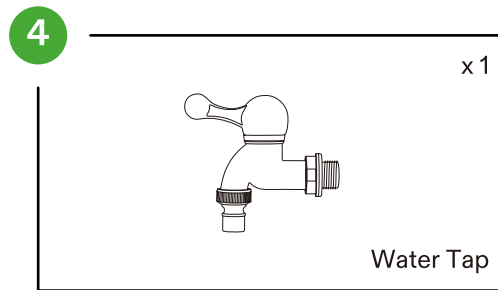

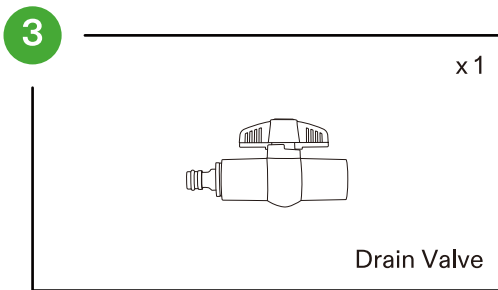

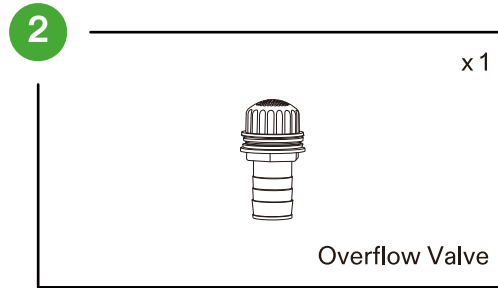

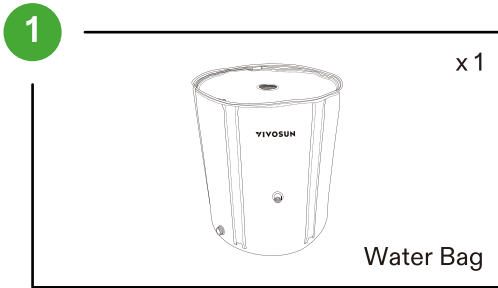

NOTES

- The product must be assembled and used in accordance with the provisions of the manual.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep the product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts after unpacking, please cease assembly and contact us.
- Please assemble the item on a spacious surface. To avoid accidental product damage, do not place the unwrapped parts directly on the floor.
- Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
- Regularly cleaning fallen leaves and other accumulated detritus from the top of the cover prevents clogging of the water inlet.

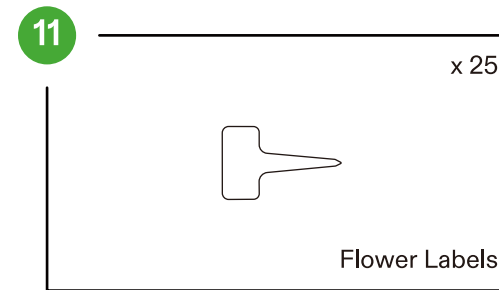

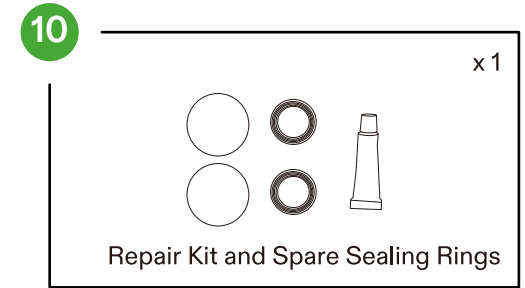

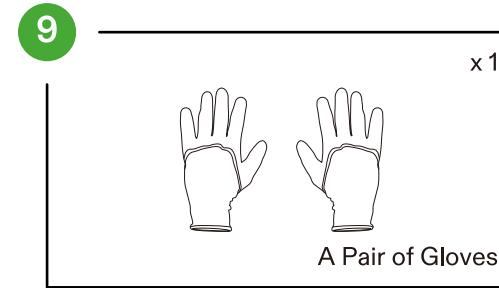

WARNINGS

- Children are not allowed to assemble the product. During assembly, keep all small parts out of the reach of children as they may be fatal if swallowed or inhaled.

PARTS LIST

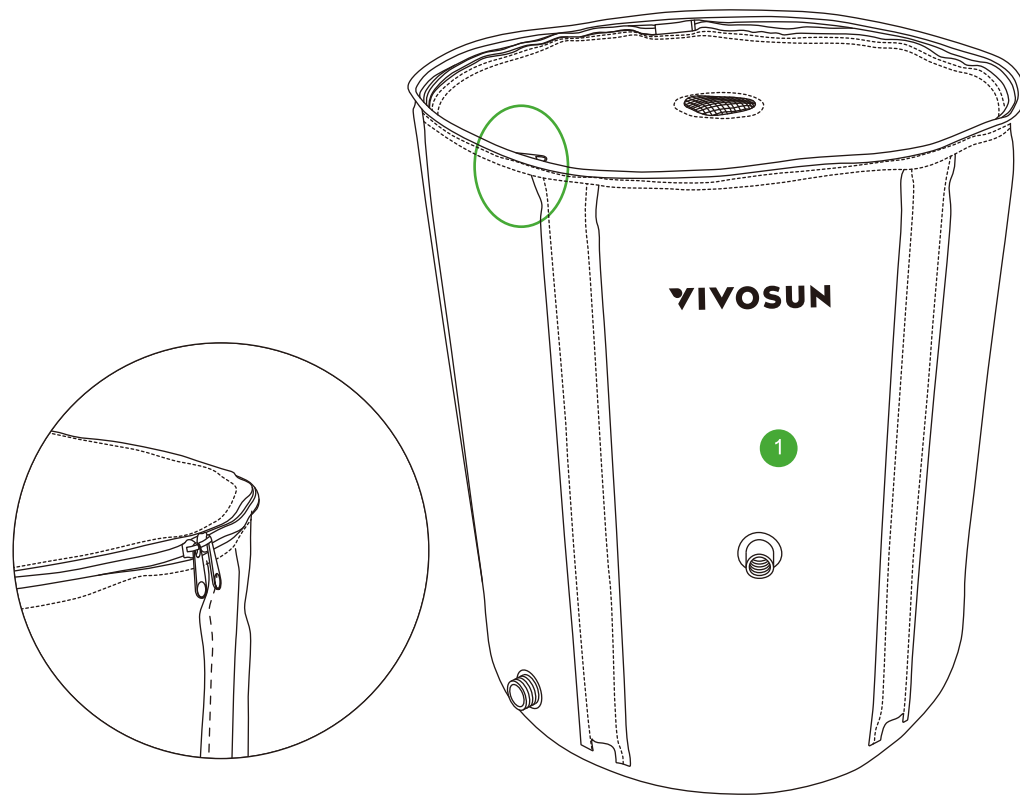

PARTS LIST

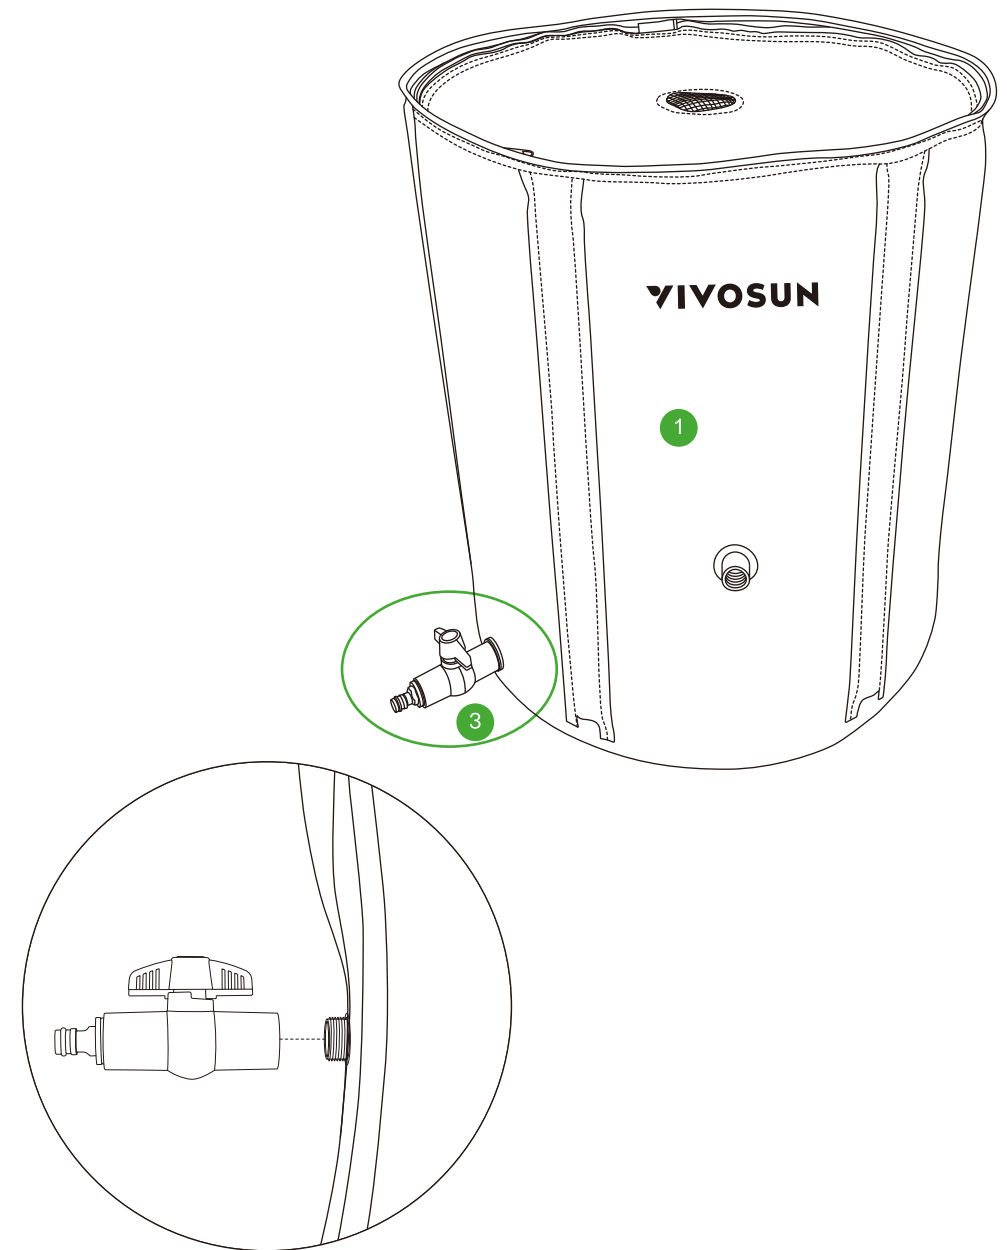

INSTALLATION

STEP 1 Expand the #1 Water Bag and unzip the top zipper.

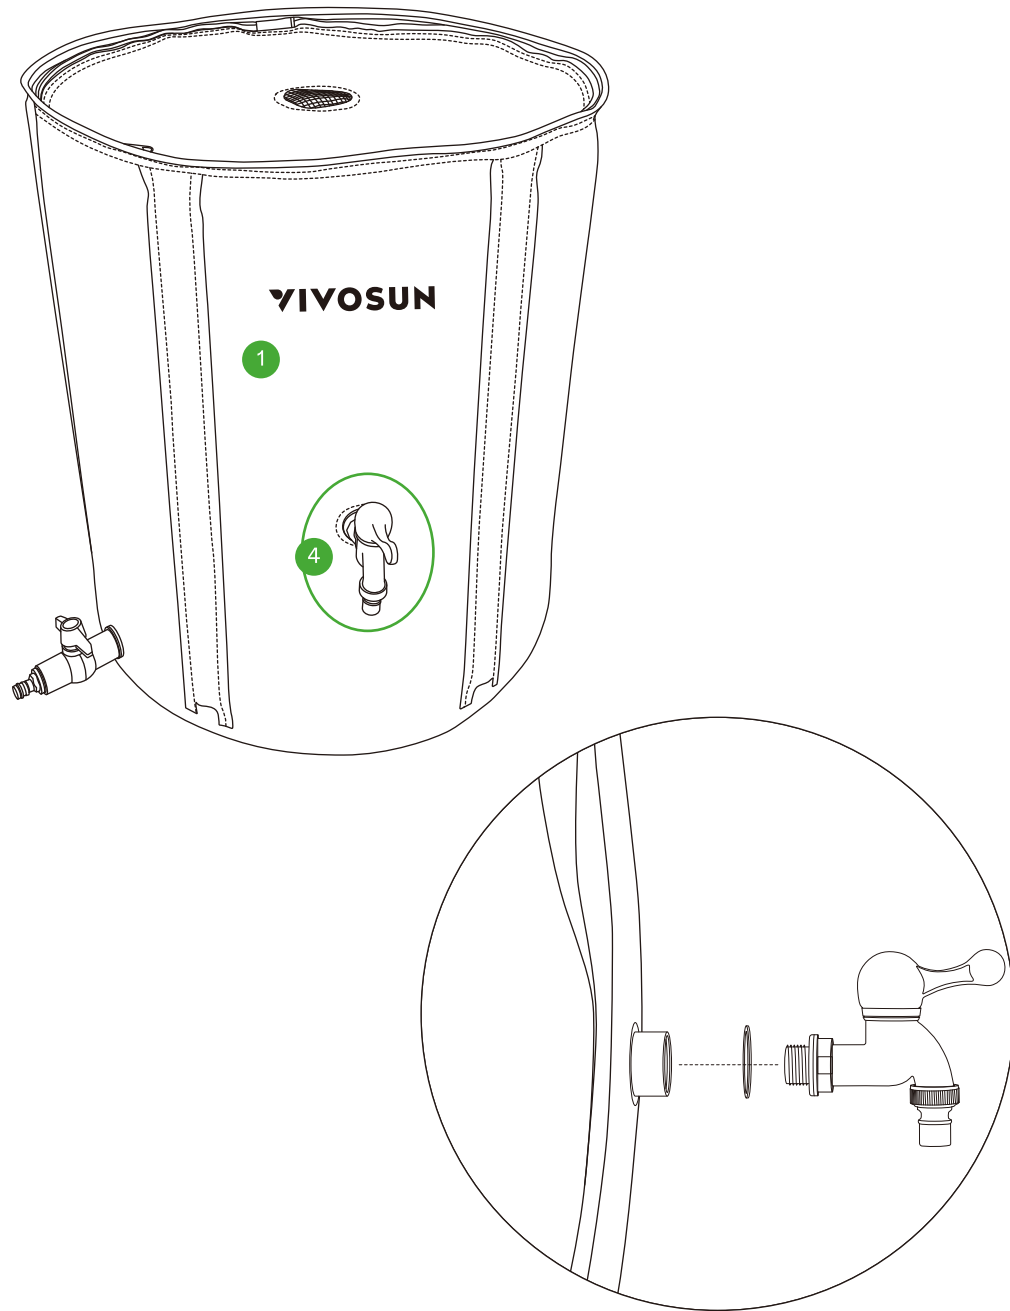

INSTALLATION

STEP 2 Install the #3 Drain Valve in the position shown in the diagram and tighten it to prevent leakage.

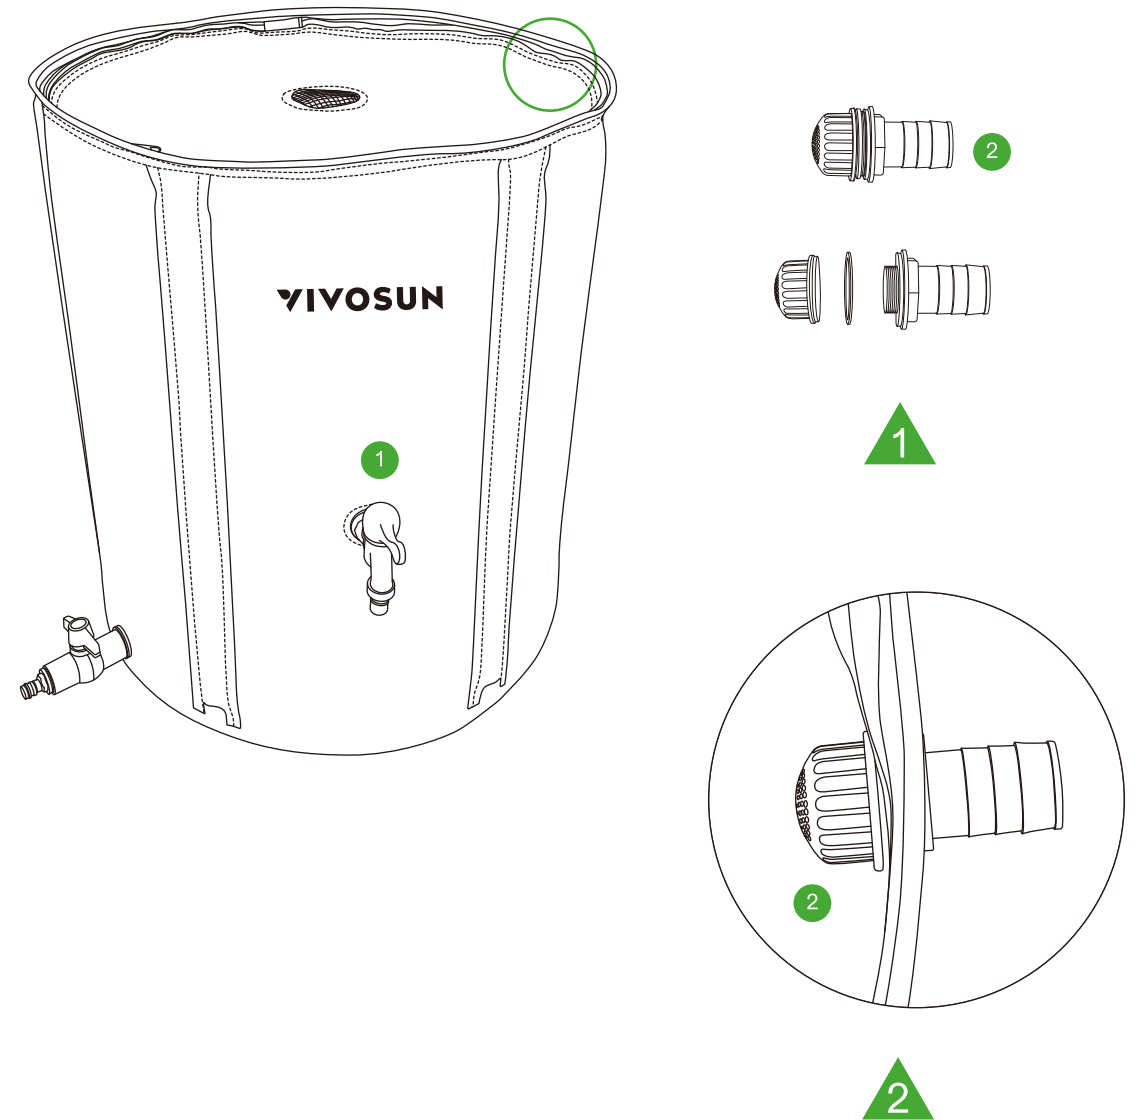

INSTALLATION

STEP 3 Install the #4 Water Tap in the position shown in the diagram and tighten it to prevent leakage.

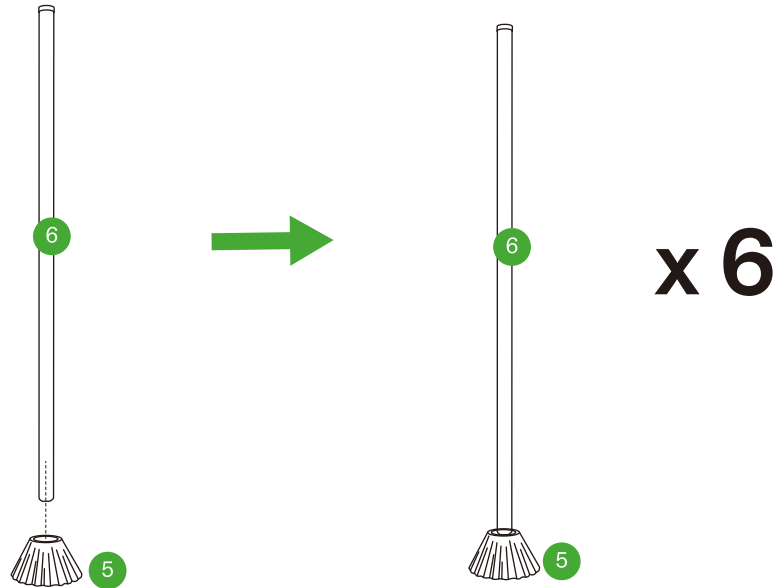

INSTALLATION

STEP 4 Unscrew the #2 Overflow Valve, and install the sealing rings (one inside and another outside) in the top hole of the #1 Water Bag.

INSTALLATION

STEP 5 Attach the #5 Fittings (6 pcs.) and the #6 Fittings (6 pcs.) to each other. Please note the end with the plug should face upward.

INSTALLATION

STEP 6 Insert the Support Bars (6 pcs.) into the upper pipe of the #1 WaterBag to finish assembly.
