GENERAL GUIDELINES

- Please read the following instructions carefully and use the product accordingly.
- To ensure the successful return, please keep the original manual and shipping box.
- This summary may not include every detail or all possible variations and the steps required to achieve them. Please contact us if further information and help are needed.

NOTE

- The product must be assembled and used in accordance with the provisions of the manual.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep this product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts before you have set up the device, please cease assembly immediately and contact us for the missing component.
- Please assemble the item on a spacious surface. To avoid accidental product damage, do not place the unwrapped parts directly on the floor.
- Please do not stand or sit on the boards.
- Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.

WARNINGS

- Do not allow children to assemble this product. During assembly, keep all small parts out of the reach of children as they may be fatal if swallowed or inhaled.
- Children are forbidden to climb or play on the product to avoid serious bodily injury caused by any potential fall.
